Caesars Head, along with Jones Gap State Park and other wildlife preserves in upper Greenville County, create the protected Mountain Bridge Wilderness Area. With more than 50 miles of easy to strenuous hiking trails dotted by trailside camping, visitors to Caesars Head can avail themselves of majestic Blue Ridge Mountain panoramas in the verdant, secluded valleys of the area. Marvel at the beauty of Raven Cliff Falls, the excitement of mountain river fishing in the Middle Saluda, or just enjoy the sights and sounds of abundant wildlife during a picnic outing with family and friends.

Park Hours: Daylight Savings Time (Daily) 9 a.m. - 9 p.m.

Standard Time (Daily) 9 a.m. - 6 p.m.

Office Hours: Daily 9 a.m. - 5 p.m.

Backcountry trailside camping is allowed at 24 designated trail sites. Group sites can be reserved for 10 - 20 people. Registration is required.

Trails: Over 50 miles of easy to strenuous hiking trails await outdoor enthusiasts in the Mountain Bridge Wilderness Area. A network of separate trails make up this important recreational resource and provide the primary link between Caesars Head and Jones Gap state parks. This system is quite extensive and registering with the park before using these trails is mandatory. Maps are available for sale at the park headquarters. Certain park trails connect to the Foothills Trail.

Fishing: Enjoy fishing in the Middle Saluda River, Matthews and Julian creeks for brook, spotted and rainbow trout. A valid South Carolina fishing license is required. Artificial lures/fly only.

The Visitors Information Center houses displays explaining the history of the area as well as information on other area attractions. The center also includes the park store and gift shop.

A picnic shelter is available free on a first-come, first-served basis.

Pets must be on a leash no longer than six feet or otherwise under restraint.

(i) Caesars Head is part of the State Park Services' Project Green Program, designed to reduce trash and encourage recycling. Trash cans have been removed to improve the appearance and to ensure a more enjoyable experience for visitors.

This park is a **Discover Carolina** site, an education initiative designed to increase students' awareness of the natural and cultural history of the state. For more information: www.discovercarolina.com
